Attached FYI.

Topo map didn't scan great. In tube on my desk.

E-mail was how they responded (at least initially) to Bret's direction on 15th to have geotech on site to assess berm.

Kathy, Jesse, WM's engineer, said some calcs were also being done on that issue, you may want to follow up.

Thanks,

Stephen F. Tyahla, P.E., CHMM Project Manager, RCRA Corrective Action Office Waste Management Division U.S. EPA Region IX 75 Hawthorne Street (WST-5) San Francisco, CA 94105 Ph. 415.972.3466 / Fax 415.947.3533 tyahla.stephen@epa.gov
